

WHITE ROCK TRITONS BASEBALL CLUB

Dear Prospective Sponsor,

The White Rock Tritons are a baseball team that competes in the BC Premier Baseball League (BCPBL) within British Columbia and the Pacific Northwest USA. We are a non-profit organization affiliated with the White Rock South Surrey Baseball Association. Most of our players are students attending high schools in the Surrey, South Surrey and Richmond areas.

Fostering Excellence — On and Off the Field

The majority of the young men who have graduated from our program over the number of years have moved on to university or college. The Triton organization fully supports post secondary education by promoting an “EDUCATION FIRST” principle with all Triton players. Our goal is to develop each athlete to the best of their ability by promoting hard work, dedication, and discipline in both athletics and academics. We accomplish this through a strong developmental program that fosters individual skills, teamwork, sportsman-ship, and a love of the game.

Contributing to Our Success

In an effort to continue the tradition of excellence and make even more improvements in our development strategy, we have initiated a campaign to enlist corporate sponsors. A corporate sponsor will have their business advertised in our program media guide, distributed throughout the local community and on the team web site. In addition, a sponsor can receive other benefits that are outlined at each sponsorship level.

Experience to Last a Lifetime

The White Rock Tritons strive to provide a healthy, competitive environment where young men learn the value of winning, losing, and sportsmanship. The value the Tritons organization brings to its players, volunteers, families, and community lasts a lifetime.

We encourage you to join our team as a corporate sponsor, by contributing at any one of the sponsorship levels outlined on the reverse page. All contributions are gratefully accepted.

Thank you for your support
